

## New Industries in the South

CHATTANOOGA, TENN., August 15.—The trademarks industrial review for the week ending now shows a slight decrease in new industries established, but the number is offset by an increased amount in the total capitalization of those reported.

The results from the various sections of the South however indicate a better feeling in all directions, and an almost unanimous opinion that conditions continue to improve and the belief that the close of the year will justify a more optimistic attitude in the season that the industrial development in the South will compare favorably with that of '97. Following is the list of new industries for the week as reported by the Trademan:

HIGHLAND PROPERTY SOLD

Three Parcels Disposed Of and Good Demand Is Shown.

[Special to The Times-Dispatch.]

MONTEREY, VA., August 15.—The sale of real estate belonging to the estate of the late Captain J. C. Matheny took place in front of the courthouse at Monterey on the 12th instant. The sale drew a large crowd, and the prices paid are an index to the value of the estate in this section. The purchasers and prices paid were as follows:

House and lot in town of Monterey, old home of the late Captain Matheny, \$3,849, bought by Mr. Robert Ruff; grass lot, just south of town, and containing seven and one-half acres, \$2,230, W. H. Matheny purchaser; farm on Back Creek, containing 175 acres, \$5,400, purchaser, Mr. G. A. Bird. The price paid for the latter property was regarded by many as quite low, and was attributed to its location, being in a remote part of the country.

Goods shipped same day order is received. We make good all losses and breakage. We do not pay express charges on anything less than a gallon. Remit Postal Order, Express Money Order or currency in Registered Letter. No personal checks accepted unless party is known to us.
